Writing Skill

أهم الفقرات الانشائية التي وردت بالمنهج [موضوع الامتحان]

Unit 1

1. «Desert animals»

The desert is hot and dry, but many animals live there such as camels, snakes, and foxes. Snakes often eat small animals like rats or lizards. Camels live in the desert, too. They eat plants to stay strong. Lizards eat insects, which give them energy. Each animal has an important role in the desert.

2. «Your favorite Egyptian food»

My favorite Egyptian food is koshari. Koshari is very yummy. Koshari is a tasty Egyptian meal with simple ingredients in one bowl. People pour the red sauce over it, and put the crispy onions on top.

3. «The Nile River»

There are many rivers around the world. The Nile River is one of the longest rivers in the world. It is home to many different animals. Crocodiles are strong and dangerous. They hunt large animals in or near the water. Small fish in the river eat water weeds. Birds eat insects, small fish, and plants near the river.

Unit 2

4. «Playing sports»

Sports are very important. Sports help us stay healthy and make our bodies stronger. Football makes our heart strong and helps our muscles grow. Swimming is very good, too. It makes our lungs strong. Exercising regularly helps you sleep better and reduce stress.

5. «Your habits»

Healthy habits are important for our bodies and minds. They help us feel good and do well. We should eat a lot of fruits and vegetables. Fruits and vegetables give us important vitamins. We should also drink a lot of water.

6. «Our heart»

The heart is one of the most important organs of our body. It is about the size of your fist. The heart's job is to pump blood to all parts of the body. The heart is a strong muscle that keeps us alive.

7. «Healthcare workers»

Healthcare workers like doctors and nurses are real-life heroes. They work day and night to keep people healthy and treat illnesses. Doctors use their knowledge to check patients and provide treatments. Nurses often work around the clock to give support and care for patients.

8. «The job of the doctor»

Doctors are very important to us. They spend their lives helping others. They work day and night to keep people healthy and treat illnesses. Doctors use their knowledge and skills to check patients, diagnose diseases and provide treatments.

Unit 3

9. «Extreme weather»

Droughts, wildfires, and heat waves are extreme weather events. Droughts happen when there is no rain for a long time. The land gets dry. Animals can find water. Wildfires are dangerous. Wildfires burn through forests and homes. Wildfires spread quickly when it's dry. Animals lose their homes because of wildfires.

10. «The weather in Ancient Egypt»

Ancient Egypt had weather that made farming possible. The weather in Ancient Egypt brought some problems like floods, droughts, and sandstorms.

Sandstorms brought strong, hot winds with sand. It was hard to see and

breathe. People stayed inside during these storms to stay safe. They built their homes with thick and mud bricks to protect themselves from the wind and sand.

11. «Floods in Ancient Egypt»

The Nile River flooded every year in Ancient Egypt. The water brought rich soil to the land which helped crops grow. Sometimes the floods were too strong and damaged farms. The Ancient Egyptians built canals and basins to control the water. These canals helped to spread water over their fields.

Unit 4

12. "Your favorite places in your town"

There are many places in our town for food, drink or fun. We can relax and drink coffee at a café. We can buy groceries at a supermarket. We can eat dinner at a restaurant. We can go on rides at a theme park. We can buy bread at a bakery. We can go to the club to play sports.

13. «Your village»

Life in a village is peaceful and simple. People live in cozy cottages surrounded by green fields and fresh air. There is a market in the main square where people buy and sell fresh fruit. Farmers keep their animals in barns. Children have fun at the community center.

14. «The New Administrative Capital»

The New Administrative Capital of Egypt is a new city in Cairo. It helps reduce crowding in Cairo. It has government offices and important buildings. The city has green areas everywhere. People can find great jobs there.

15. «Places in your community»

In my community, there are many wonderful places. These places make our lives easier. There are green spaces, playgrounds and a lot of parks. There

is also a new library in our area. It has many books. The shopping center here is amazing. It has supermarkets, a bakery and clothes shops. These new places help us make our community a better place to live.

Unit 5

16. «Natural resources»

Natural resources are things we get from nature. The Nile River is the most important water resource in Egypt. It gives us water for drinking and farming. Oil and natural gas are also important resources. They are used for making fuel and electricity. Natural resources are very important so we must use them wisely.

17. «Minerals»

Gold, diamond, copper, and iron are important mineral resources. Each mineral has its special qualities. Gold is shiny and easy to shape. Diamond is more valuable than gold because it is rare. Copper is used for making electrical wires. Iron is a super strong metal. So it is perfect for making cars and planes.

18. «Helping others»

Helping others is a good thing. When someone needs help, we should try to support them. It doesn't matter if we are big or small, strong or weak. What really matters is having a kind heart. Sometimes people think that only big or important people can help. But even a small person can do something great.

19. «Water»

Water is very important. We can see it in a glass, river or cloud. It can be quiet or wild. It sleeps in lakes and dances in the rain. People drink it when they are thirsty. Water can shape the world.

20. «Gold»

Gold is soft, shiny, and easy to shape. People use it for coins and jewelry. To get gold, miners dig deep into the ground. But minerals are non-renewable, so we must use them wisely and never waste them.

Sample Test (1) on Unit 1

The desert is hot and dry, but many animals live there. Snakes often eat small animals like rats or lizards. Camels eat plants to stay strong. Lizards eat insects, which give them energy. Some animals hide under rocks to stay cool during the day. Each animal has an important role in the desert. They help nature stay in balance.

Sample Test (2) on Unit 2

A doctor is a healthcare hero. They work in hospitals to help sick people. They use their knowledge to diagnose diseases. Then they provide treatments to help patients get better. Their job is very important.

Sample Test (3) on Unit 3

Sandstorms called Khamsin, brought strong, hot winds with sand. It was hard to see and breathe in sandstorms. People stayed inside to stay safe. They built their homes with thick mud bricks to protect themselves from the wind and sand.

Sample Test (4) on Unit 4

Mohamed is a good pupil. He lives in a village. There are a lot of exciting places there. The community center is a fun place. He meets his friends and plays games in the community center

every Thursday. At night, the village is quiet. He walks near the fields and looks at the stars. He loves his village. It is a happy place to live in.

Sample Test (5) on Units 5 & 6

I'm Mazen. I read that Egypt has minerals, like gold! Egypt's deserts contain gold, iron, and other minerals, as well. They're used to make jewelry, make buildings. Minerals also help our country grow.

Part Two

A Playing sports is very important for everyone. It helps us stay healthy and makes our body strong. There are different sports to do, like football, swimming and running. Swimming makes your lungs strong. Also, you should drink a lot of water and eat fruits before exercising.

B The Nile River is the longest river in the world. It's important for both animals and people. Different kinds of colorful fish live in the River Nile. They eat water weeds. We use water of the Nile for drinking and growing plants. We need to keep it clean and safe.

C I'm Mazen. My favorite place in my neighborhood is the coffee shop. I go there with my dad on Fridays. I usually have a piece of chocolate cake and my dad drinks coffee. It's a relaxing place. The baker at the shop next door makes the best bread.

Adverbs of Frequency الظروف التكرار

Usage الاستخدام

We use adverbs of frequency to talk about how often something happens.

نستخدم ظروف التكرار لمعرفة نسبة حدوث الفعل

always → usually → often → sometimes → rarely → never
(100%) (80%) (70%) (50%) (20%) (0%)

100%	always	I always look after my little sister. اعتنى دائماً باختي الصغيرة (افعل ذلك دائماً).
80%	usually	I am usually tired in the evening. اشعر عادة بالتعب في المساء. (في اوقات كثيرة وليس طوال الوقت)
70%	often	I don't often watch television. غالباً اشاهد التلفاز. (في اغلب الوقت)
50%	sometimes	I sometimes get up early in the summer vacation. احياناً استيقظ مبكراً في عطلة الصيف (نصف ايام الاسبوع)
20%	rarely	I rarely travel abroad. نادراً ما اسافر للخارج. (نادراً ما حدث ذلك)
0%	never	I never visit the Pyramids. لم ازر الاهرام ابداً (لم افعل ذلك ولا مرة)

- تأتي ظروف التكرار بعد فعل يكون (verb to be) وقبل الافعال الاخرى:

Verb to be → Adverbs of frequency

Adverbs of frequency → Other verbs

ظرف التكرار يأتي قبل الفعل الأساسي:

✓ I **often** play football.

✗ I play often football.

ولكن بعد فعل "verb to be" (am, is, are)

✓ She **is** always happy.

✗ She always is happy.

Comparative Adjectives مقارنة الصفات

تستخدم صفات المقارنة لمقارنة شخصين أو شيئين أو حيوانين أو غير ذلك.

تنقسم الصفات الى صفات قصيرة **Short adjectives** وصفات طويلة **Long adjectives**

Short adjectives الصفات القصيرة

تتكون اغلب الصفات القصيرة من مقطع صوتي واحد.

Short adjectives = one syllable (مقطع واحد)

Ex: tall big small fast slow cold hot

Form التكوين

شخص / شئ + adjective + er + than + شخص / شئ

Ex: Gold is cheaper than diamond.

Spelling Rules:

لاحظ الآتي:

الصفات التي تنتهي بحرف (y)، نغير (y) إلى (i) ثم نضيف (-er).

heavy → heavier

happy → happier

Ex: Amira is happier than Mohamed.

إذا انتهت الصفة بحرف e نضيف إليها r فقط:

nice → nicer

large → larger

بعض الصفات نضاعف بها الحرف الأخير عند اضافة er :

fat → fatter

thin → thinner

big → bigger

Long adjectives الصفات الطويلة

Ex: beautiful – expensive – dangerous – comfortable

Form: التكوين

شخص / شئ + more/less + adjective + than + شخص / شئ

مع الصفات الطويلة (التي تتكون من مقطعين أو أكثر)، نستخدم "more" أو "less" قبل الصفة، و "than" بعدها.

Ex: Diamond is more valuable than gold. (الألماس أكثر قيمة من الذهب).

Test on Unit 1

Many animals live near the river. Crocodiles rest under the shade of big trees. Snakes hunt small insects in the morning. Some birds build their nests on high branches. People visit the river every day, but they must not be selfish and throw rubbish in the water.

Al Azhar Test 1

The Nile River is home to many animals. Birds sit on the branches of tall trees and hunt small insects. A crocodile swims in the water and looks for food. Fish hide in the shade of water weeds to stay safe.

Healthcare workers help people stay healthy. Paramedics arrive quickly when someone is sick or hurt. They check the patient's weight and make sure the heart

can pump blood well. Good habits, like sleeping early, reduce stress and improve mental health. Strong bones and muscles also help the body work properly.

Al Azhar Test 2

Doctors help patients stay healthy. The heart pumps blood around the body. Muscles work hard when we lift weight. Good food gives the body nutrients and reduces stress.

Review on Unit 3

Test on Unit 3

Last year, our town faced many natural problems. A wildfire burned part of the forest, and a flood damaged some homes near the canal. Farmers used an irrigation system to save their crops during the droughts. People worked together and whispered prayers for safety. Everyone learned how to protect the planet better.

Al Azhar Test 3

A sandstorm hit the village yesterday. It caused damage to many houses. Later, heavy rain fell and made a small flood. People worked together and put everything right side up again.

Test on Unit 5

Many countries depend on natural resources to produce electricity. Miners work deep underground to find minerals and fossil fuel. Today, people try to use renewable energy like wind because it is cleaner. Some minerals are very precious, and people call them treasures. Scientists say we must protect these resources for the future.

نستخدم ظروف التكرار للتحدث عن مدى تكرار حدوث شيء ما.

always	usually	often	sometimes	rarely	never
100%	90%	70%	50%	20%	0%

Form:

التكوين:

لاحظ ظروف التكرار تسبق الفعل:

Subject (فاعل) + **adverbs of frequency** (ظروف التكرار) + main verb (الفعل الأساسي)

e.g. I **always** go to the club on sunny Saturdays.

لاحظ أن (verb to be) يسبق ظروف التكرار:

Subject (فاعل) + verb to be (am/ is/ are) + **adverbs of frequency** (ظروف التكرار)

e.g. I'm **always** in bed at 11 pm.

Unit 2

- 1.** The River Nile is home to many amazing creatures. Birds and insects live near the water, while weeds provide food for small animals. A huge crocodile, the “King of the Nile,” hunts fish and birds. Although dangerous, crocodiles are helpful because they eat sick fish to keep the river clean. The Nile helps many plants and animals survive.
- 2.** In the desert, the days are hot and dry, so animals have special ways to survive. Camels store water to stay strong. At night, foxes and owls come out to stay cool and hunt insects. Lizards hide under rocks to stay safe from the sun. Each animal helps keep the desert’s delicate ecosystem in balance. We must protect it.
- 3.** My favorite food is Koshari. It is a famous Egyptian dish. The ingredients are rice, pasta, lentils, and chickpeas. The recipe is easy to follow, and it has a special flavor from garlic and tomato sauce. Koshari is delicious and healthy. I enjoy eating it with my family at home because it is a very special meal.
- 4.** Ali loves visiting the local market early in the morning. He sees many fresh fruits and vegetables there. The smell of hot bread attracts him to the bakery. He buys tomatoes, cucumbers, and apples to make salad and juice. Ali believes fresh food is the best. He goes home to prepare a healthy lunch for his family.
- 5.** Our heart and lungs are important organs in the chest. They help us breathe and move energy through our body. Exercise, like swimming or football, makes our muscles strong and keeps us fit. Regular exercise also reduces stress and improves mental health. When we exercise, we sleep better and have more energy. Taking care of our body is important.
- 6.** Good habits help us stay healthy and happy. Waking up early, drinking water, and eating fruit give us energy. Exercising is good for our muscles and mind. However, watching TV all day is a bad habit and is not healthy. Taking a walk and eating dinner early make us feel strong. We must make good choices to stay well.
